

# Securing Today, Building Tomorrow.

## Help Fund Our Future!

### 2022/2023 Capital Campaign

Jacksonville Chamber of Commerce and Jacksonville Leadership & Education Advancement & Development have embarked on an exciting journey from Chamber office to Chamber HOME. We want you to be a part of writing our story as we create a legacy for member businesses in our great city of Jacksonville, Texas.

For more than 50 years, the Jacksonville Chamber of Commerce has served as leadership and support to help area businesses grow and prosper. These efforts are made possible by chamber staff, members, and Investors who, through their steadfast support and commitment to community, have created a solid foundation for your Chamber. Now there is an opportunity to help secure today and build tomorrow by contributing to the 2022 Capital Campaign.

### Where are we going?

- The Chamber has been renting a building for the past few years. Due to growth and desire to display an image of professionalism and visibility, the Chamber seeks to buy a building downtown. We would like for our future location to be located at 307 E. Commerce, next door to the Jacksonville Economic Development Corporation.
- This location will provide plenty of parking, meeting space, and connections to people and resources. By contributing, you will allow the Jacksonville Chamber to have a chamber HOME for all members.
- The building is 3,500 sq ft. and will have a dedicated meeting space for committees and member businesses.
- This downtown location will allow for better networking opportunities and will enable the Chamber to conduct more workshops and forums for our members.
- The estimated cost for purchasing and remodeling the building will be up to \$250,000.
